CORE RANGE

LAGER, JAPANESE STYLE - 4.5%

Australian barley and rice play a lead role in creating this popular signature lager by Heads of Noosa. Brewed, fermented and filtered with precision. This lager is clean, crisp and delicately divine... for exceptional times.

AMBER LAGER - 4.8%

The Amber Lager inspired by beautiful summer evenings in our backyard of Noosa, where the sky explodes with colour. This Lager is refreshing and full-flavoured, boasting a fine amount of specialty dark malts balanced by tropical fruit hop flavours and aromas.

PILSNER - 5.0%

A Bavarian style Pilsner brewed to the Australian palate. Deliciously full bodied with biscuity-bready malt character, hopped with traditional German nobles to a bitterness level we enjoy.

LAGER 3.5 - 3.5%

Lager 3.5 is a refreshing mid-strength beer brewed with a blend of specialty malts and fermented cold for a clean and crisp mouthfeel. This beer is filtered, making it easy on the eye and the palate. Full-flavoured, but with 3.5% ABV you can stay for one more...
